EMBRACING THE NEW

GET INTO YOUR NEW

EJWC is moving full steam ahead EMBRACING THE NEW. Following the vision of GOD, Senior Pastor Valley K. Woodley, is pouring the word of the Lord into the believers on the importance of increasing your faith to obtain the NEW in your life and goals, as individuals and collectively.

Sundays are for church! Corporate worship is proven to motivate, restore and rejuvenate. Coming together builds spiritual stamina for the week's trials and responsibilities. Embracing the New! The bible reminds us that there is nothing NEW under the sun and yet it also tells us that GOD is doing a NEW thing. GOD has some NEW things he wants to do for you and through you. As you meditate and pray this month, seek his guidance on how he wants to show his glory in your life. The NEW awaits You!

WELCOME

PASTOR VALLEY K. WOODLEY

Hi! Just being a part of what GOD is doing here at EJWC is so very exciting. God has been telling us for thousands of years to trust Him. When we trust the move of GOD, He always brings us out victoriously. So glad to be able to share this joy with you. This is our season. Embrace it with everything in you. When GOD set the Israelites free of Egypt's enslavement, he allowed everyone who wanted to, to be set free. In this season that we are in, we declare freedom for all our loved ones. We speak to every bondage that has been holding us down and keeping us back, to be broken and destroyed in Jesus Name. AMEN!!!
